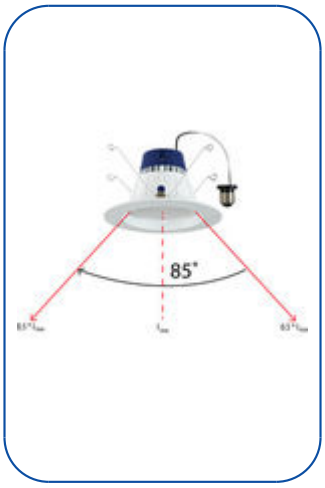
6 Inch LED Downlight Lamp, 3000K. 750 lumens, 75W Halogen Replacement. Dimmable

Verbatim 6” LED downlights are a great high efficiency one- piece solution for contractors and homeowners. Ideal for commercial and residential environments, these retrofit LED fixtures fit most standard 5” and 6” recessed housings, providing soft, dimmable light. Easy to install, the single piece design replaces both the traditional recessed housing trim and the light bulb, providing a clean look and beautiful illumination. Available in standard and high lumen configurations, these downlights reduce power usage by over 80% over halogen flood lamps. Verbatim LED downlights are wet rated, perfect for showers and bath installations. The 40,000 hr lifetime significantly reduces maintenance costs and are backed by Verbatim's 5-year limited warranty.



Specifications

Lamp Type	6in Downlight 3000K 750lm
Model	D6-L750-C30-B85
Wattage	13W
Lumen Output	750 lm
Efficacy	58 lm/W
Color Temperature	3000K
CRI	80
Beam Angle	85°
Dimmable	Yes
Voltage	120V
Operating Temperature	-20°C to 40°C
Socket	E26
Weight	17.8 oz.
Design life	40,000 hrs.
Part Number	97803

Features & Benefits

- Simple installation. Replaces both trim and halogen bulb
- 75W halogen replacement.
- Reduces energy consumption by over 80% compared to traditional halogen bulbs. Less heat radiation, reduces A/C loads.
- Compatible with both 5” and 6” recessed can housings.
- Wet rated, Ideal for shower and bath environments.
- Compatible with most commercial dimmers, offering 10%-100% dimming performance.
- 3000K color temperature satisfies most residential and commercial environments.
- 40,000hr lifetime reduces maintenance costs
- Environmentally friendly, contains no mercury or hazardous materials
- UL listed
- 5-year limited warranty
